SEASON 2012-2013
Check out our website for rego information and new season details.

You're all invited to the Nippers AGM and Presentation day Sunday 18th March

We'll kick off at 10am with our AGM which is a very brief but important part of proceedings. We'll follow this with our world famous (well almost) academy award winning (well not quite) Rob Hegyi produced (that bit is right) DVD presentation featuring the faces and characters of our season. We'll then present awards including individual Nippers' medallions, 100% attendance, point score places, club champions, and special categories. A delicious lunch will follow, and a polite reminder that the kids will be served first as this is their end of season celebration.

Board sale reminder: If you're interested in buying an ex-surf school blue G-board worth around \$800 for just \$100 or \$200 please contact Terry Jansen on terry.jansen@optusnet.com.au for more information.

Check out this great opportunity!!!
 We're arranging a day for the under 14's to visit Bondi Rescue.
 This adventure is scheduled for 17th March (Saturday)
 If it works out and is popular this could become an annual event.
 The rough plan is to leave the clubhouse at Towradgi at 8.15am then arrive at Bondi and park the bus by 9.45am.
 Once we finish, and if it's a good day, we'll have a swim and some lunch and then head home.
 Everyone will be back in loads of time for tea and a nanna nap!
 Parents' permission is required so contact:
 RobH - 0418 426 382
 CharlesH - 0408 423 051 for more information.
